**DETAILED ACTION**

***Allowable Subject Matter***

Claims 1-12,18-22 are allowed.

***Claim Rejections - 35 USC § 102***

Claim 13 is rejected under 35 U.S.C. 102(b) as being anticipated by Johnson.

See the previous office action for this rejection.

***Claim Rejections - 35 USC § 103***

Claims 14-17 are rejected under 35 U.S.C. 103(a) as being unpatentable over Johnson. See the previous office action for this rejection.

***Response to Arguments***

Applicant's arguments filed 2/17/06 have been fully considered but they are not persuasive. The arguments are not commensurate in scope with the claimed subject matter. The terms upwardly and downwardly are relative terms and can be read in any matter whatsoever as long as it consistent with their definitions. The inclined surface of Johnson inclines upwardly from the bottom of the bit. The dependent claims have not been separately argued such that their patentability stands or falls with the parent claim.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
